Kai is an exceptional young man with a heart of gold. He displays genuine kindness and inclusiveness towards others. Kai cares about his friends dearly, and is always one of the first to comfort another student when they are sad or unsure what to do. I often hear Kai congratulating his classmates on achieving their learning goals, or giving them positive feedback and encouragement on their work. I have loved watching Kai's patience with other classmates and his eagerness to support them. Kai loves playing with his friends outside – particularly running races!

In the classroom, Kai is a super organised learner. He takes time to think things through. Kai articulates his thoughts and feelings in a very mature and thoughtful way. He is an exceptional role model to his classmates through his excellent learning choices and the lovely way he treats others – through his words and actions.

I have witnessed Kai experience tremendous growth in the belief he has in himself and what he is capable of. Kai has worked hard to develop his confidence in challenging himself and staying persistent. He aims high and tries his very best at any task put before him. Kai listens to feedback and acts on it to improve his learning.

Kai has a great sense of humour. He is forever entertaining our class with his stories and jokes. Kai certainly makes our classroom a fun place to be!

This award represents our school values and learning behaviours that Kai upholds each day. His attitude and commitment to our values of care, respect, excellence and community sets a wonderful example for those around him.

Congratulations Kai on receiving the Prep Citizen of the Term. We are all so proud of you!
