REAL SCHOOLS PARENT INFORMATION SESSION

real
schools

School - **Ballarat North Primary School**
Date & Time - **Tuesday 18th October 5.30pm**

- **How do Schools and Parents get on the same page about the important stuff?**
- **How do we build a partnership around building fantastic young people for today and tomorrow?**
- **How can our Teachers AND our Parents use the same strategies to manage behaviour, encourage responsibility and improve the chances of success?**

They seem like outrageously big questions, don't they? And they are ... but they do have answers. Unfortunately, too often Parents and Schools are not on the same page when it comes to answering them. Your school wants to do something about that and has commenced a partnership with Real Schools to make it happen. **But the school can't do it alone. We need you to know everything involved and to have your say.** That's why we need you at this critical event in the history of your school and the future of your children.

During the session, we will:

- Tell you all about the Restorative Practices Partnership that the school is embarking on.
- Ask for your input.
- Provide you with strategies to use immediately in your Parenting ... and they're the same strategies your Teachers are now using.
- Learn how to respond, rather than react, to your child's behaviour.
- Share the best ways to build a meaningful Partnership with your school.
