### **Grade Prep Citizen of the Term 3 2022- Flynn**

Flynn is very deserving of this award for many reasons. Every day he is at school, Flynn shows and upholds our school values. He shows respect towards teachers and students by speaking politely and kindly to all. He shows Prep M that he cares by helping those that need it, using kind words and being thoughtful of other's feelings. Flynn shows a level of patience well beyond his years. When working with others he listens to ideas, includes everyone and can be trusted to lead a group. He doesn't get frustrated or upset when things are not going as planned.

Flynn is a quiet and focused worker, and he has worked hard to achieve his personal learning goals. He always listens to and acts on the feedback given to improve his work. He has learnt to persist with challenging goals and has enjoyed the success that comes from working hard at something new.

Flynn always supports and encourages his classmates to do their best. He has made many new friends since starting school and is always willing to include others in his games. Flynn, Prep M enjoys having you in our class and we feel very lucky to have such a kind and thoughtful friend. ### **Grade 1/2 Citizen of the Term3 2022 - Maddie**

Maddie is a hard-working and well-liked member of our school community and I am proud to be announcing her as the 1/2 citizen of the term, for Term 3. She goes above and beyond to be kind to everyone around her. She is a helpful, understanding and compassionate friend and student.

Maddie brings her positive and can-do attitude to every part of her day. She is an engaged learner and displays enthusiasm for learning tasks. Maddie is an active listener and contributes regularly to classroom discussions. She listens to others and works well in groups or individually to complete tasks. Maddie is resilient and persistent in her learning and takes on feedback to improve her work. She encourages her peers, always offering assistance to others when needed.

Maddie should be very proud of the hard work she puts into all of her learning. She consistently shows our school values and learning behaviours in class and around our school. Maddie's behaviour and attitude make her a fantastic role model for other students. I have thoroughly enjoyed seeing her step up as a grade 2 and support her grade 1 classmates and peers. She has enjoyed being a part of sustainability club and I am excited to see her take on roles of responsibility within our school.

Maddie you should be very proud of your efforts, we are lucky to have you as a student at our school! Congratulations.

**Grade 3/4 Citizen of the Term 3 2022 - Henry**

Henry is an outstanding student who exemplifies each of the Ballarat North School Values of Care, Respect, Excellence and Community in all that he does. He is a highly valued and respected member of our school community, and his polite and helpful nature is appreciated by all.

Henry is a positive contributor our classroom community, as well as the Ballarat North community at large. He has embraced his role as our Junior School Council representative with pride and he fulfils his responsibilities with enthusiasm. During our school concert preparations Henry did not hesitate to bring items from home to lend to other students as costumes. This act highlights Henry's thoughtfulness in ensuring all students have what they need for an enjoyable experience. Henry has repeatedly offered for other students to have particular experiences instead of himself with no expectation of praise or reward. This demonstrates his selflessness and genuine desire to contribute to the happiness of others.

Within the classroom Henry is a focused and hardworking student who strives for excellence in all that he does. He repeatedly demonstrates his commitment to his learning through his valuable contributions to class discussions, by seeking and implementing feedback to elevate his work, and through completing all tasks to a high standard. Henry is an excellent role model for other students and is always willing to assist others with their work whenever he can. He shows the utmost respect to his peers and his teacher, and is highly regarded by all of us in return.

Tayla is an outstanding role model within our school community and starts every day with a smile and a positive attitude. She is a mature and responsible student who always demonstrates our school values of Care, Respect, Community and Excellence to a very high standard.

Tayla is the most organized and hard-working student you could wish for. She thinks deeply about her work tasks, strives hard to achieve her goals and is always keen to act on feedback to improve her learning. Tayla listens carefully to others and contributes a great deal to our class discussions.

Tayla always treats others kindly and can be counted on to use her outstanding initiative to willingly help others around her without being asked. She is a confident, fair and effective team leader and member, and uses her excellent people skills to skilfully work well with a range of personalities to work towards team success. Tayla bravely auditioned for speaking parts in our 2022 Concert performance, where she successfully gained key roles both in our class act and in the whole school linking acts between teams. Her willingness to give all things a go is highly commendable and her dedication to do her personal best at all times is inspiring.
