

19 October 2021

Dear Parent/Guardian,

Ballarat North Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ballarat North Primary School 's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, music and physical education equipment and resources and the establishment and implementation of our Playground Masterplan.

Please find attached Ballarat North Primary Schools voluntary financial contributions schedule for 2022, which includes an overview of what your contributions will contribute towards.

All stationery packs will be able to be ordered and paid for online and delivered to school. Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Maree Moyle
Acting Principal

Janette Thomas
School Council President

These are provided on a user-pays basis. Details of these items and activities will be provided to students and families throughout the year.

Financial Support for Families

Ballarat North Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- The Camps, Sports and Excursions Fund (CSEF) for eligible students to attend camps and excursions
- State Schools' Relief
- Centrepay

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

Stationery Pack - for students to own

Please find attached a list of items that the school recommends for each individual student, with instructions on how to order online. Items can be purchased online from KaKa Kids School Supplies for your child to own and use. Individually named stationery packs will be delivered to your child's classroom before the start of the school year. All stationery items are carefully selected by the teachers for their suitability for your child's use during their year of studies. Each student is provided with the same stationery pack, making this method more equitable and easier for parents.

The school administration and School Council work very hard to provide parents with access to high quality, reasonably priced stationery. We aim for all families to purchase the stationery packs online with KaKa Kids School Supplies. Parents who do not wish to do so must consult the school about appropriate materials.
